

Membership Drives SCV

Membership is golden and so is SCV PTA! That's right we turn 50 this year! To celebrate we are going to virtually 'drive' around town and collect memberships along the way. Come on let's get started!

September

First Stop, Central Park, here we enjoy a cool morning walk around the park and go through our mental membership checklist-

- Have I set my goal and theme?
- Have I sent it to CAPTA?

October

Fall is here and it's cooling down, let's drive on over to the Saugus Swap Meet. By the way, have you gotten 30 members yet? You need to have 30 members by the end of the month. 'TOTEMs' will automatically remit but if you have any 'traditionals' we will need a check! **Collect 30 memberships to be included in our drawing for a \$100 scholarship (4 winners will be named and must be present at drawing to win)**

November

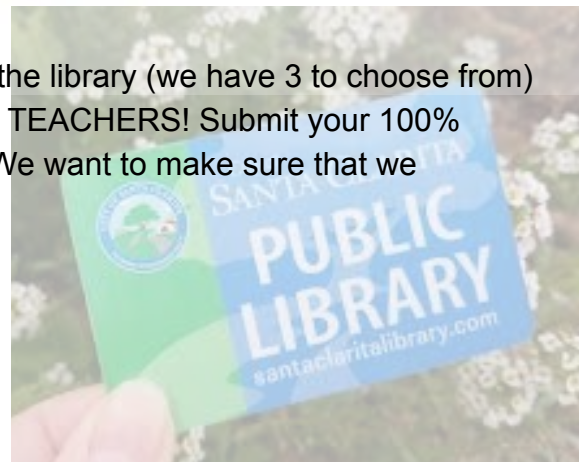

Let's drive over to Hart Park to see the bison! The original herd had 8 members and that's also how many new memberships that you need this month to be included in this month's challenge- **collect 8 memberships to be included in our \$100 scholarship drawing (4 winners will be named and must be present at drawing to win)**

December

Next stop, College of the Canyons, we're here in time to sign up for spring classes, and while we're on the topic of spring, now is a good time to start thinking about a spring membership drive!

January

Enjoy your break SCV! We're going to drive over to the library (we have 3 to choose from) and get a book! Do you know who else likes books? TEACHERS! Submit your 100% teacher membership form to council (and CAPTA). We want to make sure that we recognize our Golden Apples!

February

Brrr!!! It's cold out! Join us as we drive over to our favorite diner, the Saugus Cafe, for a hot meal. While we're here, we can check to see if we've gotten 2 more memberships. **2 new memberships is what we need this month to be included in our \$100 scholarship drawing (4 winners will be named and must be present at drawing to win).**

March

Road Trip! We're driving up to Vasquez Rocks. Will we find the hidden loot here or 8 men to join the PTA? This month's challenge- **get 8 new male memberships to be included in our \$100 scholarship drawing (4 winners will be named and must be present at drawing to win).**

April

It's warming up and time to drive over to Magic Mountain! We can't wait to get on Twisted Colossus and Full Throttle and our all time favorite- The Revolution (who doesn't love the great white knuckler?) **4 new memberships is what we need this month to be included in our \$100 scholarship drawing (4 winners will be named and must be present at drawing to win).**

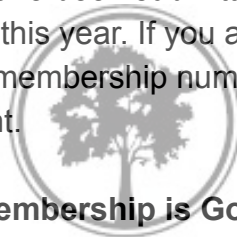

May

The year is almost over and we haven't driven out to Placerita Canyon and the Oak Of The Golden Dream yet! Will we find gold or 5 new memberships? **We need 5 new memberships this month to be included in our \$100 scholarship drawing (4 winners will be named and must be present at drawing to win).**

June

We did it! Who knew that driving around town (and turning 50) could be so much fun? Our last virtual stop is to drive over to The Oaks Club and celebrate the wonderful year that this has been and all of those great memberships that we collected along the way!

Thank you all for driving around town, celebrating our 50th and collecting memberships, what a year! Make sure that checks have been submitted to council for any traditional memberships that you have collected this year. If you are not sure if your check was sent contact Kristi at council to verify your membership numbers- the memberships do not get counted until council receives payment.

SCV Membership is Golden
