

Congratulations!! You and your PTA are working hard to bring activities, programs, and resources to your school! Of course your success comes from the work you and other members of your PTA are doing, and it wouldn't have been possible without you! Now it's time to open the door and invite more parents and community members to join your PTA to help provide your children with even greater opportunities in the spring!

Resources to assist organizing a mid-year Membership campaign can be found on capta.org, and you and your fellow PTA members can creative with a new theme, or simply continue with the current theme. Remember to check your Membership budget, review your membership goals, and/or set new goals, but most importantly have fun inviting new parents, community members, teachers, staff, school board members, superintendents and so on to join your PTA! Reach out through all forms of communication, including social media.

I have envelopes, membership cards, Baskin Robbins cards, and Aquarium of the Pacific coupons. They do no one any good in boxes!

Please contact me with any questions! Remember, "Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." - Margaret Mead
